## **SENIOR MEN'S YEAR-END OUTING**

Each player plays his own ball from tee to green. The event will be played with full handicap. 3-man team players will take turns playing two balls and having two scores through the tournament on successive holes. Your scorecard will have a blank line for entering these second ball scores.

### **SCORE KEEPING**

Team scoresheet will be on one of your team carts before 8:00 AM.

Each player plays his own ball from tee to green. The team scorekeeper will record each player's ***actual*** score on the scoresheet. Teams must begin recording scores on their starting hole indicated on their score sheet. The scoresheet shows the number of handicap strokes each player gets for each hole. The player's net score is his actual score for the hole minus his handicap strokes for that hole.

SCOREKEEPER: On each hole, circle the two scores you're using, and add the two ***net*** scores together. This is your team's score for the hole. Total up your team's 18-hole score. Turn your scoresheet in to **Herb Kramer** or **Dick Malenfant** in the banquet room. Ties will be decided by a match of cards, starting on hole #18, and going backwards.

Have a GOOD TIME!!!!!!!!!!!! AND SHOOT SOME GOOD GOLF!!!!!!!!!!!!
